

## **HSE CONCERT BANDS PERFORMING AT VARSITY BASKETBALL GAMES**

Due to the growth and interest in the Hamilton Southeastern Band Department we would like to make a few changes for the 2010-2011 basketball pep band season.

1. **NEW:** We would like everyone to sign up for THREE Games of their choice.
2. Each student should select the pep band that best fits their personal schedule.
3. The games will be a part of each student's performance grade just like any concert.
4. If a student doesn't sign up for a pep band on their own, the directors will assign them to a pep band based on instrumentation needs.
5. NO EXTRA REHEARSALS WILL BE NEEDED EXCEPT PRIOR TO THE GAME ITSELF.
6. **NEW:** For any student that is in a *winter sport or band department performance ensemble such as winter guard, or winter percussion*, you will sign up on a separate list indicating the group you are a part of. These students will be exempt from participating in the pep band but will still receive credit.
7. **NEW:** All other students will have a specific pep band but may find a substitute that plays the *same instrument* to replace them at any, or *all* of their games. These students will still receive full credit as long as they find an appropriate substitute. In order to receive credit at each game there will be a substitute sign in sheet that will need to be filled out with the substitute's name, and the person's name that they are replacing.
8. **NEW:** The substitute will received bonus credit for each game they do on top of the performance credit they earn for their assigned pep band.
