

HAMILTON SOUTHEASTERN HIGH SCHOOL
Royal Command & Guard

We'd like to welcome you to attend a "Section Social" to introduce you to the RCG Marching Band family!

The party dates are listed below by each instrument (or section) and are being hosted by a current RCG parent. We have volunteered our time and homes to provide an informative and fun evening for parents to learn more about what it's like to be in Marching Band - both from the kids perspective as well as parents. Please join us at one of the dates/locations below. If you're unsure which section your child would be in, just reply to me with what instrument your child plays, and I can point you to the right party!

Please RSVP via email to the host of the party you plan to attend. Parties will last about an hour, with time afterward for mingling and more Q&A. They are meant for parents only, and we are planning on an informal student event as well. Details on that will follow.
